

President's Message

Siddharth Agrawal
President, TiE Rajasthan

Dear Fellow Member,

With new initiatives, new projects, new members and new zeal TiE Rajasthan is recognized as an ever growing chapter.

In past few months we have spent a lot of time in brainstorming, conceptualising and executing new initiatives and new projects. Though our committee members were busy handling their own businesses due to changes in ways of doing business in the country yet they were quite ready to spend time and make efforts as and when needed by TiE. My special thanks to all of them.

TiE Navigators, launched in this quarter needs a special mention here. The program has been a great success. Our Charter

Members, who are ever ready to handheld fellow entrepreneurs, are available as TiE Navigators on predefined time slots at TiE office. Members are welcome to take their help. TiE Navigators is a complimentary and member exclusive service by TiE Rajasthan.

A parallel team has been working meticulously on TiE Nxt, a unique forum for young and upcoming entrepreneurs. The program has received over whelming response and feedback. While we are coming out with this edition of ConnecTiE, the first icebreaker session of TiE Nxt has been conducted amazingly by the team.

Sessions with outside speakers have been a hit as always. We are reaching out and partnering with counterpart organisations to help develop an ecosystem supporting entrepreneurs.

On Nov 3 - 4, we have planned 3rd edition of Smash Up, a mega event for startups. I personally invite your participation at this mega event.

Look forward to your support, feedback and regular participation.

Warm regards,
Siddharth
