Speed Dating in action

## HIGHLIGHTS

'TiE Smash Up 2018', 4th edition of the event organized at Jaipur on 28 - 29 September brought together entrepreneurs, venture capitalists, angel investors, key business personalities from the city and promising startups under one roof. Smash Up connected curated startups to prominent investors at one hand and on the other budding startups got a chance to interact with successful startup founders and listen to their success stories. Adding to this, pitching sessions, smasher awards and networking opportunities made it one of its kind event for startups.
